Division/Department: Sales and Business Development

Reports to: DIRECTOR OF GUEST SERVICES/GUEST SERVICES MANAGER

Full-time
 Part-time

Exempt
 Non-Exempt

Overview:

Do you have the stamina of a marathon runner, the comedic timing of a stand-up comic, and the ability to dance like nobody's watching... even though *everyone* is? We're looking for a larger-than-life personality to bring our "IC" mascot to life.

You're not just the "IC" mascot — you're a walking mood-booster, a living selfie opportunity, and the ultimate hype machine. You'll turn ordinary events into unforgettable memories.

You'll be the one high-fiving kids, photo bombing our customers and while making memories with our Birthday Parties. If you can make people laugh without saying a word, you might be our next superstar.

We are seeking an energetic, enthusiastic, and creative individual to serve as our AdventHealth Center Ice "IC" mascot. In this role, you will bring our brand to life by engaging with customers, creating memorable experiences, and representing our values at events, and community appearances.

Duties and Responsibilities:

- Perform our "IC" mascot at events, promotional and community appearances.
- Interact with customers of all ages in a fun, safe, and professional manner.
- Create engaging, family-friendly entertainment through gestures, skits, and improvisation.
- Pose for photos and participating in media opportunities.
- Maintain the "IC" mascot costume, ensuring it is clean, presentable, and in good condition.
- Collaborate with the marketing and events teams to plan appearances and performances.
- Ability to adapt to different performance environments and situations while maintaining enthusiasm at all times.
- Schedule may include hosting birthday parties and assisting with events when not playing the role as "IC"

Minimum Qualifications:

- High energy, creativity, and a love for entertaining.
- A friendly and engaging personality that can connect positively with our customers at the same time representing AdventHealth Center Ice professionally.
- Ability to perform in a full-body costume for extended periods.
- Strong non-verbal communication skills and enthusiasm through physical gestures and expressions
- Comfortable working in various weather conditions.
- This role involves both indoor and outdoor appearances, often in front of large crowds including events, birthday parties, and off-site appearances.
- Flexible schedule, including evenings, weekends, and holidays.
- Willingness to work irregular hours, to accommodate event schedules
- Previous performance, acting, or mascot experience is a plus but not required.

Physical Requirements:

- Ability to lift up to 25 lbs.
- Comfortable with physical activity, including dancing, jumping, and walking long distances.
- Ability to perform in “IC” mascot costume for extended periods of time, often in varying weather conditions.

Benefits:

- Employee discount

This isn't just about wearing a fuzzy suit – it's about becoming the heart and soul of our company.
